- De prijzen zijn gebaseerd op de maximale tarieven vastgesteld door de NZa (jan 2016).  
Door prijsafspraken met individuele zorgverzekeraars zal de werkelijke prijs lager zijn.
- Wanneer een parameter deel uitmaakt van meerdere aangevraagde pakketten, wordt deze slechts 1x gedeclareerd.

### Per aanvraag worden orderkosten in rekening gebracht voor bloedafname, verwerking en rapportage:

	Prijs (euro)
Bloedafname op poli bloedafname	11,25
Bloedafname op prikpost	14,93
Bloedafname door derden (bv huisarts)	5,87
Toeslag huisbezoek (minder dan 2 dagen)	17,63
Toeslag huisbezoek (minimaal 2 dagen)	10,13

INDIVIDUELE ONDERZOEKEN IN BLOED	Prijs (euro)	additioneel indien afw.	Prijs (euro)	additioneel indien afw.

			<span style="background-color: #d9ead3; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> Neutrofielen (+ leucocyten totaal)	3,45
			<span style="background-color: #e41a1c; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> NT-proBNP	15,11
			<span style="background-color: #d9ead3; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> Oestradiol	7,33

## Opmerkingen:

- \*1. De prijs van het vervolgonderzoek indien het Hb afwijkend is, is een richtprijs, omdat het vervolgonderzoek variabel is. Tenminste microcytair ±€10,00, normocytair ±€37,00, macrocytair ±€25,00.

# Overzicht van prijzen laboratoriumdiagnostiek

## Kleurcoderingen:

<span style="background-color: #e0e0e0; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> minder dan € 2,50
<span style="background-color: #c0e0c0; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> € 2,50 - € 10,00
<span style="background-color: #ffcc99; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> € 10,00 - € 15,00
<span style="background-color: #e09999; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> € 15,00 - € 35,00
<span style="background-color: #9999cc; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> meer dan € 35,00

## Disclaimer:

Op basis van dit overzicht kunnen geen rechten worden ontleend. Dit overzicht geeft overschatting van de werkelijke kosten:

1. De prijzen zijn gebaseerd op de maximale tarieven vastgesteld door de NZa (jan 2016).

Door prijsafspraken met individuele zorgverzekeraars zal de werkelijke prijs lager zijn.

2. Wanneer een parameter deel uitmaakt van meerdere aangevraagde pakketten, wordt deze slechts 1x gedeclareerd.

### Per aanvraag worden orderkosten in rekening gebracht voor bloedafname, verwerking en rapportage:

	Prijs (euro)
<span style="background-color: #ffcc99; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> Bloedafname op poli bloedafname	11,25
